# Who am I?

- 26 years old Finnish girl
- Landscape Gardener
- Landscape Designer
- 9 years of work experience in different areas of landscaping
- Looking for new ways to improve professional skills

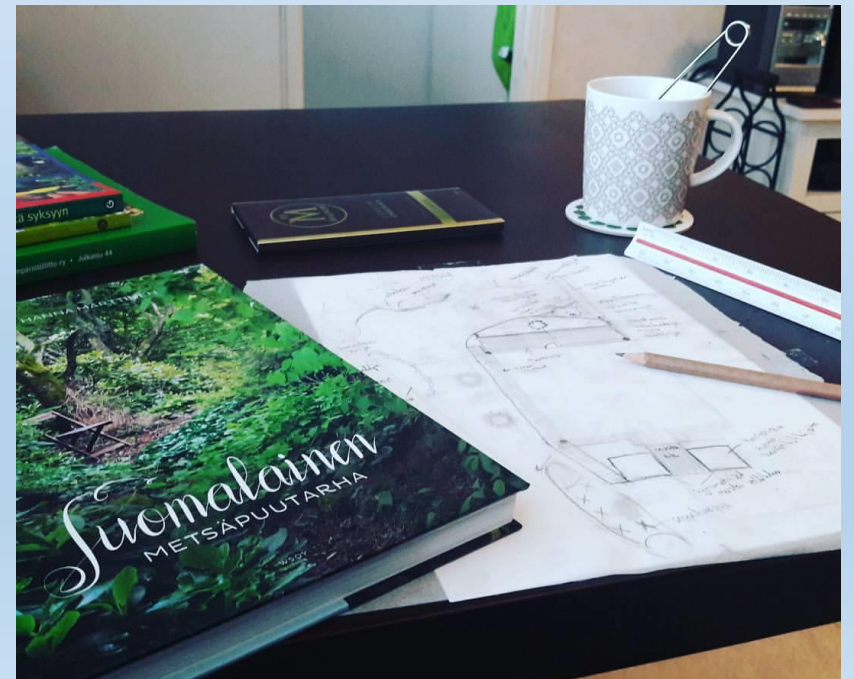

# Early start

- How my early years of career were?
- What have been biggest issues?
- Why did I decided to stay in this profession?

# Private gardens

- Easy to make changes while building if needed.
- Finished details
- Utilitygardens are more popular
- Plants that attract butterflies
- Natural gardens
